IASP Presidential Task Force on Cannabis and Cannabinoid Analgesia  
Declarations of Interest Summary as of January 27, 2021

			<ol style="list-style-type: none"> <li>Industry-Academia collaborative grant jointly funded by Science Foundation Ireland and B. Braun Ltd relevant to cannabinoids and pain</li> <li>Additional peer-reviewed research grant funding from Science Foundation Ireland, the Irish Research Council, CNPq Brazil, and EU INTERREG Programmes.</li> </ol>			I declare the above as interests/activities, but I do not consider any of them to be conflicts of interest with respect to my duties on the IASP Task Force on cannabinoids and pain because the first five are academic service to community roles for which I receive no financial remuneration or benefits and the fifth is my academic salaried job at the University.
